

BC 2500

Spare parts list

Bucket crusher

BC 2500 s/n DEQ159235 -

General information

This spare parts list applies to the following:

Part number	Description
3363117988	Bucket crusher BC 2500 parallel with intermediate plate
3363123605	Bucket crusher BC 2500 cross with intermediate plate
3363121330	Bucket crusher BC 2500 parallel without intermediate plate
3363123609	Bucket crusher BC 2500 cross without intermediate plate

Use only authorized parts. Any damage or malfunction caused by the use of unauthorized parts is not covered by Warranty or Product Liability. Any unauthorized use or copying of the contents or any part thereof is prohibited. This applies in particular to trademarks, model denominations, part numbers, and drawings.

Instructions for use

This spare parts list contains no safety regulations and is merely intended to assist in the ordering of spare parts.

For information about operating, servicing, or repairing, the relevant Safety and operating instructions must be consulted at all costs.

Please observe the safety instructions listed in the relevant Safety and operating instructions!

Instructions for ordering

It is essential to indicate the serial number of the hydraulic attachment when ordering spare parts!

Please note the full identification number of your hydraulic attachment.

Determine the quantity of individual parts which are required and need to be ordered. The order must indicate the following details:

- full identification code of the hydraulic attachment
- required quantity
- part number
- description
