Requirement

To keep up-to-date with developments in the fleet and road transport industry.

Policy

The Company ensures that the company is prepared for and manages any change that may affect the fleet operation, such as legislation or industry practice. We aim to keep up-to-date with industry developments and changes specific to the fleet operation and vehicle type.

Keeping up-to-date with industry developments should include, but are not limited to:

- FORS bulletins, FORS eNews and FORS social media platforms
- Subscription to Driver and Vehicle Standards Agency (DVSA) Moving On, Health and Safety Executive and The Highway Code updates and alerts
- Scheme bulletins, such as LoCITY and Construction Logistics and Community
- Safety (CLOCS) Membership of a relevant professional body
- Membership of a relevant trade association
- Subscription to industry media and trade press services

Any industry change that is relevant to the fleet operation are communicated to drivers and other transport staff in accordance with requirement M5.
